BMS2000 Database

- ❑ **BMS2000: B** - Baptême, **M** – Mariage, **S** – Sépulture (burial)
- ❑ Developed with the cooperation of 24 Québec genealogical societies.
- ❑ Contains 14 million records from the 1600s to the mid-2000s.
- ❑ Includes Catholic and non-Catholic records and records from areas surrounding Québec, such as Ontario, New Brunswick, Vermont, Maine, and New York.
- ❑ When to use this database?
 - searching for records from mid-1800s to mid-2000s

BMS2000 Database

General search criteria

- % can be used as a wild character to replace letters
 - name of ge%ais – will look for records starting with “ge” and ending with “ais”
 - name of gerv – will look for records starting with “gerv” – no need to put the % at the end of a word

- Two of the fields must contain at least two characters and one of those fields must be a surname, the second one being either a surname, a given name or a location

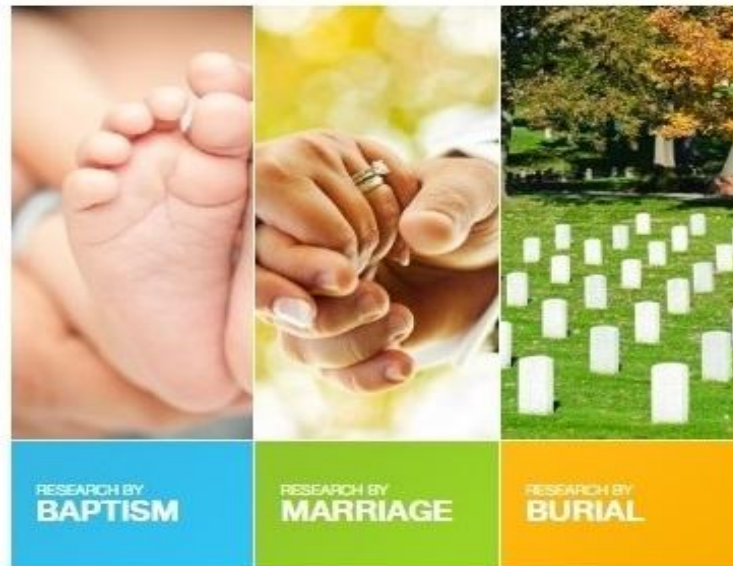

- To search for the exact word, check the box located at the right-hand side of the field.

- Using the Period or Location fields will help reduce the search results
